ABOUT ME

I am a software developer with almost 7 years of experience in the area of I.T. I have a degree in information systems in Brazil. In this period I worked on several projects of diversified branches and acted as a full stack developer. I am organized, dedicated, studious, I like to learn and share knowledge. Always in search of improving and optimizing processes.

In May/2024 I will realize a dream of doing an exchange to study English in Ireland and I am looking for my first international opportunity
